

Celebrate You-Nique Week with QuaverEd™

QuaverEd's approach to education is one of a kind. We hope you'll join thousands of educators across the country who use our Music, Health and PE, and social and emotional resources.

During You-Nique Week, May 15–19, we're encouraging educators to help students celebrate their strengths and qualities. Listen to our original song "You-Nique" below. ([Also available in Spanish.](#)) We've compiled printables, movement games, and more from each of our brands to bring them to life.

QuaverMusic has many resources to help students learn about Melody and Rhythm. Try the fun worksheet below by scanning the QR code!

Let's Make a Melody

1. Make sure you have the 5 colors of crayons or markers listed below.
2. Using the Rhythms you created on page 2, draw a circle above each note head with the colors of your choice.
3. Once you have drawn circles above each note head with a color, look at the key located below.
4. Your project should look like the example below.
5. Once completed, the students can use barred instruments and/or boomwhackers.

Color Keys:

1. Orange - D	2. Yellow - E	3. Lime Green - F#	4. Dark Purple - A	5. Magenta - B
