

Celebrate **Black History Month** with **QuaverEd**

In honor of Martin Luther King Jr. Day and Black History Month, we've curated a few QuaverMusic songs and activities for you to use with your students.

Check Out "Lift Ev'ry Voice and Sing"

"My kids love the Freedom Songs and keep saying how happy they are that the singers look like them," said one QuaverMusic teacher.

Watch the choral performance of ["Lift Ev'ry Voice and Sing"](#) and discuss it with your students.

Recognize Black Musicians

Introduce students to two Black musicians from our QuaverMusic library.

Display the poster on page 2, and have students color the worksheet on page 3. While they color, play ["Violin Concierto to Symphony No. 1 in E Minor: IV Finale"](#) and ["What a Wonderful World."](#)
